

# Clarity Independent School

4<sup>th</sup> March 2022

Dear Parents and Carers,

E-Safety Training (The 2 Johns) have received a number of reports from children in schools they have visited since the conflict in The Ukraine began, talking about their concerns and fears. It seems that there are videos being shared on Tiktok that are convincing children that World War 3 has begun.

They released a Facebook Group post about this on Friday and have since been contacted by a number of parents whose children are talking with them similarly.

E-Safety Training (The 2 Johns) have sent us a link to a short video (about 6 minutes) on YouTube that they have produced about the current conflict.

The video is directed at parents. We may also use this (or information from it) in our work with children in school e.g. during any discussions on the issue, but will ensure discussions are sensitive and support will be offered.

Here is a link to the video: <https://youtu.be/gtHU8gkSKuo>.

If your child has expressed concerns that you would like advice or support to address, please do not hesitate to let us know.

Yours sincerely

Sharyn Ailara, Deputy Head Teacher
