

Summer Term 2026

Curriculum Overview for Tigers class

PUPIL:
CLASS: Tigers
YEAR:

Core Subjects	Maths	English	Science	ICT
Theme	Revision GCSE	Non fiction texts	Cells / Atoms, Compounds and States of Matter	Digital Functional Skills
Summer 1	<ul style="list-style-type: none"> ● Probability ● REal life graphs ● Transformations, translations, rotations and reflections ● Probability ● Pythagoras ● Fractions ● Indices ● Standard form ● Inequalities ● Sequences ● Properties of shapes ● Perimeter and Area <p style="text-align: center;">Functional Skills</p> <p>Unit 5 - Real life Graphs</p> <ul style="list-style-type: none"> ● Conversion graphs ● Distance - time graphs ● Line graphs ● More line graphs ● REal life graphs ● Curved graphs <p>Unit 6 Decimals and ratios</p> <ul style="list-style-type: none"> ● Ordering decimals and rounding ● Place value calculations ● Calculations with decimals ● Ratio and proportion with decimals 	<ul style="list-style-type: none"> ● Genre, Audience and Purpose ● Romeo and Juliet ● Explicit and implicit information ● Language techniques ● Structure and techniques of texts ● Comparing Non-fiction texts 1 ● Comparing Non-fiction texts 2 ● Functional Skills 	<ul style="list-style-type: none"> ● Genetic engineering ● Selective breeding ● Exam ● Atomic structure ● Atomic number, mass and isotopes ● Periodic table ● Electronic structure ● Ionic bonding ● Covalent bonding ● Simple molecules ● Giant covalent ● Metallic bonding ● States of matter ● Exam 	<ul style="list-style-type: none"> ● Excel ● Know what steps can be taken to limit a digital footprint ● 5 Skills area: Understand key rights under data protection laws. Understand the importance of protecting personal information and privacy online. Cloud storage. Know how to avoid exposure to malware

Core Subjects	Maths	English	Science	ICT
Theme	GCSE Foundation maths	Functional Skills	Forces	Digital Functional Skills
Summer 2	Revision GCSE Exams 2 & 3 Functional skills 7 Lines and Angles <ul style="list-style-type: none"> • Quadrilaterals • Alternate angles and proof • Angles in parallel lines • Exterior and interior angles • Solving geometric problems 8 Calculating with fractions <ul style="list-style-type: none"> • Ordering Fractions • Adding and subtracting fractions • Multiplying fractions • Dividing fractions • Calculating with mixed numbers 	<ul style="list-style-type: none"> • SPAG • Advanced punctuation • PEE. Evidence for your answers • Reading for information. • Inference • Compare • Poetry • Writing for purpose • Film reviews • Critical analysis • Functional Skills 	<ul style="list-style-type: none"> • Forces and friction • Speed • Distance/time graphs • Acceleration • speed/time graphs • Balanced and unbalanced forces • Weight and mass • Stopping distance • Energy • Energy transfer diagrams • Wasted energy • Reducing energy loss • Efficiency • Energy resources 	<ul style="list-style-type: none"> • Know of and know how to minimise the effects of health risks that may result from using devices and the internet • Revision • And practice using software systems • Examination techniques and preparation for the assessment • Assessment • Fun ICT games or learning how to edit video or audio clips

Foundation Subjects	Art & Design	ASDAN Short course: Beliefs and Values	COOKERY - Food and Cookery Skills	PSHE & RSE	ASDAN Living Independently
Theme	Observational drawing skills	Environment Crime and punishment	Food and Cooking Skills	ASDAN - Families and Parenting	Career Management
Summer 1	Introduction to topic and students will create a title page for this topic. Looking first at the hyperrealist artist Marcello Barenghi , students will create artist NCFE Module 4 Natural Forms	Module 2: Environment The aim of this module is to develop learners' understanding of the significant impact that we have on the environment and how to take responsibility for our actions. It provides	<ul style="list-style-type: none"> • Red velvet cookies • Cheesy naan bread • Salted caramel cheesecake • Ham and Cheese hash brown bites • Shortbread • Fruit muffins 	<ul style="list-style-type: none"> • Different relationships and concepts of family • Forced marriage • Roles and responsibilities of parenting • Impact of being a parent on lifestyle • Healthy pregnancy 	Pupils to choose at least four challenges: Task 1 - Prepare a CV Task 2- Practise filling in application forms Task 3- Select a course that interests you Task 4- Find out about the different sources of

	<p>Creating a double page spread of topic. Using resources found from nature and experimenting with sketches, texture and observational drawings.</p> <p>Gel plate printing using natural forms.</p> <p>Ink printing using natural forms.</p> <p>Creating stencils using inspiration from natural forms.</p>	<p>opportunities to learn about issues such as sustainability, animal rights and renewable energy.</p> <p><u>Module 3: Crime and punishment</u></p> <p>The aim of this module is to develop learners' understanding of what it means to be a responsible citizen and the laws necessary for society to function justly and fairly.
