Our school year starts Monday 8<sup>th</sup>  
September 2025.

Our school day starts at 9:00am.

The sign at the entrance of the school driveway, looks like this.

I will come to school in a taxi. (It might not be black like this one but it will be a very nice car with a very nice driver.)

I will be collected from my taxi by my Keyworker.

My Keyworker will open the gate for me and take me this way into school:

I will be taken into the playground/reception area and go in through the wooden doors.

Some children have a phone or a tablet in the taxi with them. At Clarity we all wait our turn, then put our electronic device in the box.

Lauren and Miss Louise will be in the reception area. They always smile and say 'Hello' in the mornings.

When I arrive, I will use the bathroom to wash my hands.

One bathroom looks like this:

The other looks like this:

Then I will go to the hall for registration and breakfast.

After breakfast I will go to my classroom with my Keyworker. These are the classes:

I will be in \_\_\_\_\_ Class.

My Class teacher is \_\_\_\_\_.

I will stay in my classroom for most of my lessons.

I will start the day and end the day with my class teacher, but some of my lessons will be taught by a different teacher who is a Subject Leader. This is great because this means I will be taught by the best teacher for that subject.

The Subject lead teachers will usually come to my classroom to teach me and my classmates.

Sometimes I will have timetabled activities in a different room with a Specialist who comes into school to see me (whose photograph is on page 4).

My Keyworker will take me there.

They will stay with me if I need them to and bring me back to my classroom.

## Enrichment

I might choose to have guitar lessons with Kevin. These happen on Mondays or Thursdays.

Mr Powell sometimes teaches some of the children about food and Nutrition...

...and he sometimes teaches us sports activities at the Village field.

I will go to Bushcraft outdoor activity sessions at Danbury Park on a Tuesday afternoon with my Keyworker and my friends.

Every few weeks, we try out some of the Essex Outdoor activities and challenges.

In the summer term, I will have swimming lessons with my friends in the afternoon at County High School.

Home time is 3.00pm.

My Keyworker will take me out to my taxi.

# Who can I talk to if I'm worried about something?

In the meantime, I will look forward to making some  
new friends  
when I start school very soon!

...and we are looking forward to meeting you!
