Informing the Exams Officer of changes to a specification is the responsibility of curriculum leads.

Decisions on whether a candidate should be entered for a particular subject will be taken by the Exams Officer in consultation with class teachers.

### 4. Exam series

Internal exams (mock or trial exams) and assessments are scheduled in the following exam series:

Internal / external	Qualification	Month	Comments
Internal	Entry levels 1-3	October	
Internal mock / trial	Functional Skills 1-2 GCSE / BTEC re-sits	October	
Internal mock / trial	GCSE / BTEC	May for Year 10 January for Year 11	
Internal final assessments	NCFE Levels 1-2 ASDAN	Throughout the year	

External exams and assessments are scheduled in the following exam series:

Internal / external	Qualification	Month	Comments
External	Functional Skills 1-2 GCSE / BTEC re-sits	November	
External	Functional Skills 1-2	February	
External	Functional Skills 1-2 GCSE BTEC	May/ June	

Internal exams are held under external exam conditions.

The head of centre in consultation with the Exams Officer decide which exam series are used in the centre.

The centre does not currently offer assessments on an on-demand basis. If offered, on-demand assessments can be scheduled only in windows agreed between the Exams Officer and the head of centre.

## 5. Exam timetables

Once confirmed, the Exams Officer will circulate the exam timetables for internal and/or external exams at an agreed date before each series begins. This includes confirming timetables with all staff and informing candidates of their individual exam timetable.

### Timetable clashes

Due to the small cohort at the school and even smaller cohort of exam candidates each exam series, exam timetables are planned with all examination staff so that clashes are avoided although this can never be guaranteed. Where examination papers are accessed as downloadable 'on demand' papers, these are planned to avoid any clashes with GCSE dates that are nationally applied. This is also the case for On Screen examinations that are booked by the centre, and internally assessed components such as English Speaking and Listening.

If a timetable clash is unavoidable, the school will follow the regulations specified in the JCQ Instructions for Conducting Examinations. In particular, Section 2, part 7, Timetable Clashes.

## **Overnight Supervision Arrangements**

Overnight supervision arrangements will only be applied as a last resort if all other options have been exhausted. The Head of Centre accepts full responsibility for the security of the examination throughout. Overnight Supervision and declaration forms will be completed by the centre, candidate and supervisor before the supervision commences. In the unlikely event of overnight supervision being used, the school will follow the regulations in the JCQ Instructions for Conducting Examinations. In particular, Section 2, part 8, Overnight Supervision Arrangements. Where the duration of the GCSE exams to be taken in one day exceeds 5.5 hours including additional time allowances, the candidate can opt to take these exams in one day and avoid overnight supervision arrangements. If this is the chosen option, supervised breaks between exams can be more than 20 minutes.

## **6. Entries (including entry details and late entries)**

Candidates or parents/carers can request subject entry, change of level or withdrawal.

We do not accept entries from private candidates.

We do not act as an exams centre for other organisations.

Entry deadlines are circulated to curriculum leads via exam briefing meetings at staff meetings or curriculum lead meetings. These are recorded in the minutes of the meeting and are then shared with all attendees.

Curriculum leads will provide estimated entry information to the Exams Officer to meet JCQ and awarding body deadlines.

Entries and amendments made after an awarding organisation's deadline require authorisation, in writing, by the Exams Officer.

## **Re-sits**

We allow re-sits for the following types of qualifications:

- Entry Levels
- Functional skills
- GCSEs (for pupils still on roll)
- BTECs
- NCFE Levels 1-2
- ASDAN

Re-sit decisions will be made by curriculum leads in consultation with the Exams Officer.

## 7. Exam fees

Candidates or departments will not be charged for:

- Changes of tier withdrawals if made by the proper process.
- Withdrawal from an exam (where charges would be applied by an exam board), if the parent requests withdrawal.
- The procedures or alterations arising from administrative processes, provided these are made within the time allowed by the awarding bodies.

The Exams Officer will publish the deadline for actions well in advance of each exam series.

Fees will not be charged for “prescribed public examinations” pupils have been prepared for in school, or for re-sits of these exams if they have been prepared for them at school.

This is recommended for academies and free schools in the DfE’s guidance on [charging for school activities](#). “Prescribed public examinations” includes GCSEs, AS-levels and A-levels. A full list is in the annex to an [explanatory memorandum to the Education \(Prescribed Public Examinations\) \(England\) Regulations 2010](#).

Fees *may* be charged for:

Exams or re-sits the pupil has not been prepared for at school, even if they are on the list of prescribed public examinations.

Exams not on the set list of prescribed public examinations.

A pupil, if they fail, without good reason, to complete the requirements of a public exam where the school originally paid the entry fee.

Candidates may be charged for the following:

We may waive these fees in certain circumstances, at the discretion of the Head Teacher. If you would like to discuss waiving relevant fees, please contact the Exams Officer in the first instance.

## 8. Equalities

All our staff must ensure that they meet the requirements of any equality legislation.

We will comply with the legislation, including making reasonable adjustments to the service that we provide to candidates in accordance with the requirements defined by the legislation, awarding bodies, and JCQ. This is the responsibility of head of centre, Exams Officer and the SENDCO.

## 9. Access Arrangements

The SENDCO will inform subject teachers of candidates with special educational needs and any special arrangements that individual candidates will need during the course and in any assessments/exams.

A candidate's access arrangements requirement is determined by the SENDCO as stated in 2. Roles and Responsibilities, above.

Ensuring there is appropriate evidence for a candidate's access arrangements is the responsibility of the SENDCO and class teachers. Evidence demonstrating the application of access arrangements for mock or practise assessments as the candidate's 'normal way of working' will be retained for inspection purposes. (See Appendix 1 – Evidence cover sheet for pupils with access arrangements 2025-2026).

Room arrangements for candidates using access arrangements will be organised by the Exams Officer.

Invigilation and support for candidates using access arrangements, as defined in the [JCQ access arrangements regulations](#), will be organised by the Exams Officer and Lead Invigilator.

## 10. Contingency planning

Contingency planning for exams administration is the responsibility of the head of centre and Exams Officer.

Contingency plans are available via briefing meetings and are in line with the [guidance provided by Ofqual, JCQ](#) and awarding organisations.

It is the head of centre's responsibility to ensure that procedures are in place to maintain the security of all centre accounts including the access to exam materials, the incoming electronic transfer and storage of exam materials and the uploading and storage of completed candidate work. The procedures will also safeguard sensitive information, including personal candidate data. These procedures will be in place to maintain high standards of Cyber security.

## 11. Estimated grades

Curriculum leads are responsible for submitting estimated grades to the Exams Officer when requested.

## 12. Managing invigilators

External staff will not be used to invigilate examinations.

Recruitment of invigilators is the responsibility of the head of centre.

If invigilators require Disclosure and Barring Service (DBS) checks, the head of centre is responsible for obtaining these, as the safer recruitment lead.

DBS fees are paid by the centre.

Invigilators rates of pay are set by the head of centre.

Invigilators are recruited by the head of centre, and are timetabled, trained and briefed by the Exams Officer supported by the lead invigilator.

## 13. Malpractice

The head of centre, in consultation with the Exams Officer, is responsible for ensuring that suspected or actual malpractice is thoroughly reported as part of our whistleblowing procedures and investigated as a potential misconduct issue, as detailed in our staff handbook. The centre will

ensure that Malpractice by a candidate discovered in a controlled assessment, coursework or non-examination assessment where a candidate has signed the declaration of authentication, will be reported using a JCQ M1 to the relevant awarding body. If at the time of the malpractice there is no entry for that candidate (who the centre intended to enter), the centre will submit an entry by the required entry deadline. If coursework, controlled assessment, non-examination assessment or portfolio work which is submitted for internal assessment is rejected by the centre on grounds of malpractice, candidates will be advised to follow the internal appeals process should they wish to do so. Where the awarding body deem it necessary to visit the centre unannounced, the Head of Centre will request that awarding body staff confirm their identity using the appropriate ID. The centre has the right to contest a decision for candidate malpractice by referring the case to the Malpractice Committee. Where sanctions are to be applied to a candidate, the centre will follow the guidance from the JCQ Suspected Malpractice Policies and Procedures document and any additional guidance from the awarding body.

## 14. Exam days

The Exams Officer will:

- Book all exam rooms (after liaising with other relevant users)
- Make question papers, exam stationery and materials available for the invigilator

The Exams Officer is responsible for setting up the allocated room(s) and will be advised of requirements at least 21 days in advance.

When question papers are removed from delivery packaging, they will be checked against the timetable/despatch note. This action will be recorded in the Confidential Materials: Receipt, Secure Movement, Checks and Secure Storage Log held by the Exams Officer.

On the exam day, question papers will be kept in their sealed packets until the second pair of eyes check and log have been completed. The second pair of eyes check will take place immediately before each question paper packet is opened in the designated examination room.

The Exams Officer will check the integrity of the question paper packets immediately before they are opened to confirm that the correct pack is being opened. The Invigilator will also be present to provide the 'second pair of eyes' check. The 'Second Pair of Eyes Check' and all exam document movements and handling will be logged for traceability, accountability and compliance. The logs will be held by the Exams Officer and will be accessible to all key examination staff.

Where question paper packets need to be split for additional rooms/sites, this will be undertaken within the secure storage room and the question papers extracted will be transported to the exam room/site in a sealed non-transparent envelope.

The invigilators and the Exams Officer will start and finish all exams in accordance with [JCQ guidelines](#).

Subject staff may not be present at the start of the exam to assist with identification of candidates. Any staff present must be in accordance with the rules defined by JCQ concerning who is allowed in the exam room and what they can do.

In practical exams, subject teachers' availability will be in accordance with [JCQ guidelines](#).

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Unused question papers cannot be released to individuals any earlier than 24 hours after the awarding body's published finishing time for the exam. In the case of an afternoon exam being taken the following morning, unused papers cannot be released until the candidate has completed the exam.

After an exam, the Exams Officer will arrange for the safe storage and dispatch of completed exam scripts to awarding bodies, working in conjunction with the invigilator. All exam paper and electronic movements through to dispatch will be recorded on the appropriate logs and will be available for inspection.

### **Exam Paper Errors**

If the Invigilator is made aware that there is an exam paper error during the exam, the Exams Officer will be notified immediately by the Invigilator. This will be recorded on the Exam Incident Log. The Exams Officer will make an application for Special Consideration on behalf of the affected candidate(s). The Head of Centre will submit a complaint to the awarding body to detail the error. In the event of an incorrect exam paper being sent by the awarding body, the paper will be held securely at the centre until results are released. The centre will take advice from the awarding body regarding re-sits or re-takes depending on the examination.

## **15. Candidates**

The Exams Officer will provide written information to candidates in advance of each exam series. A formal briefing session for candidates may be given by the invigilator.

Before an exam series, candidates are required to sign a data protection declaration that gives permission for centres to share candidate data and personal details with awarding bodies for entry and registration purposes.

Our published rules on acceptable dress and behaviour apply at all times. Candidates' personal belongings remain their own responsibility and we accept no liability for their loss or damage.

In an exam room, candidates must not have access to items other than those clearly allowed in the instructions on the question paper, the stationery list, or the specification for that subject unless applied for and granted through the access arrangements process.

This is particularly true of mobile phones, smart watches and other electronic devices with text or digital facilities.

Any precluded items must not be taken into the exam room.

Disruptive candidates are dealt with in accordance with JCQ guidelines. Candidates are expected to stay for the full exam time at the discretion of the Exams Officer.

The Exams Officer is responsible for handling late or absent candidates on exam day.

The rules for leaving the exam room will be applied as stated below.

For exams that last an hour or more, candidates will remain under centre supervision until at least 10:00am for a morning examination or 2:30pm for an afternoon examination. For examinations that are less than an hour, candidates will be supervised, and papers kept secure until the published finishing time for the exam.

Candidates with permitted access arrangements for supervised rest breaks will be allowed to leave the exam room temporarily from the beginning of the exam and throughout as needed. These candidates will be accompanied to and from the designated rest break area by a member of the centre staff. The time of exit and re-entry into the exam room will be recorded on the incident log and the elapsed time added to the candidate's end time.

Candidates who state to the invigilator that they have finished the exam are permitted to leave the exam room after handing in their scripts and any other materials and by signing their candidate identification sheet that confirms their understanding that they will not be permitted back into the exam room. These candidates will remain under centre supervision until the times stated above.

## **16. Late arrivals and very late arrivals.**

Candidates who arrive late or very late can still complete the timetabled exam on the day at the discretion of the centre. Candidates who arrive late for an exam due to transport issues or other reasons will initially be assessed by centre staff to ensure that the candidate is still emotionally capable of completing the exam under exam conditions. Where it is agreed with the Head of Centre and candidate that the candidate is able to participate, the candidate will receive the following actions prior to entering the examination room:

- The invigilator announcement.
- Checks for possession of unauthorised items.
- Any erratum notices for the exam.

The candidate will be escorted to the exam room by the Exams Officer or Quality Nominee and handed over to the supervision of the invigilator. The Exam Room Incident Log will be completed to record the time of arrival, confirmation that information was given to the candidate, and that the full time was allowed. The invigilator will also record this on the exam room information display to show the start and finish times for the late candidate and register the candidate as present.

Candidate deadlines for being considered late for the exam will be based on an arrival time from the timetabled exam start time to 10am for a morning exam and from the timetabled start time to 2:30pm for an afternoon exam.

Candidates who arrive after the times shown above for an exam that lasts one hour or more will be considered as being 'very late'. The candidate will be permitted to sit the exam under the following conditions:

- The lateness has been reported by the parent or transport company ahead of the candidates arrival.
- The parent and candidate agree to sign a statement to confirm that the candidate was supervised and did not access any exam materials or have contact with anyone who might divulge exam content whilst at home or in transit prior to entering the exam.
- The candidate has been assessed by centre staff as being emotionally capable of completing the exam under exam conditions.
- The candidate receives a briefing prior to the exam to include the invigilator announcement, a check for possession of unauthorised items and any erratum notices.
- The candidate has been warned that the lateness will be reported to the awarding body and that the awarding body might not accept the candidate's script.

The candidate will be escorted to the exam room by the Exams Officer or Quality Nominee and handed over to the supervision of the invigilator. The Exam Room Incident Log will be completed to record the time of arrival and the time the candidate was under centre supervision. Confirmation that information was given to the candidate, and that the full time was allowed will also be recorded. The invigilator will record this on the exam room information display to show the start and finish times for the late candidate and register the candidate as present.

For very late candidates, the centre will prepare a report for the awarding body to include the reason for lateness with any special arrangements, and the start and finish times of the timetabled exam and when the candidate started and finished the exam. The information will be submitted to the awarding body through the Centre Admin Portal (CAP) by the centre using the Form JCQ/VLA within seven working days of the exam date.

## **17. Special consideration**

If a candidate is unable to attend an exam because of illness, bereavement, or other trauma, or if a candidate becomes ill or otherwise disadvantaged during an exam, they are responsible for alerting the Exams Officer or the head of centre to that effect.

The candidate must support any special consideration claim with appropriate evidence within 5 days of the exam.

The Exams Officer will make a special consideration application to the relevant awarding body within 3 days of the exam.

## **18. Internal assessment**

It is the duty of curriculum leads to ensure that all internal assessment is ready for dispatch at the correct time. The Exams Officer will assist by keeping a record of each dispatch, including the recipient details and the date and time sent.

Marks for internally assessed work are provided to the Exams Officer by curriculum leads. The Exams Officer will inform staff of the deadline date for appeals against internal assessments.

Any appeals will be dealt with in accordance with our internal appeals procedure document.

This can be found within the Examinations Internal Appeals Policy on our website.

The head of centre must ensure that teaching staff do not use artificial intelligence (AI) as the sole means of marking candidates' work.

## 19. Results and certificates

The issue of results and certificates is dependent on the type of exam taken.

### **GCSE and Entry Level Certificate (ELC)**

Results are issued to centres as a restricted release from 00:01 on 20<sup>th</sup> August.

Centres can release results to candidates no earlier than 08:00 on 21st August.

Results must not be shared more widely by centres or candidates until after 09:30 on 21st August.

Any breach of these requirements will be considered as malpractice by an awarding body.

All results are provisional and are subject to further scrutiny by awarding bodies. Once released to candidates, the provisional results and Unique Candidate Identifier (UCI) number can be shared with further education institutions but only after the time specified above. Results are only finalised upon the issue of certificates. This can take up to three months from the provisional issue of results.

Results can be received by candidates in the following ways where agreed:

- By post on a centre headed letter
- By email with a centre headed letter attached
- In person by letter on the candidate day of release from 08:00

### **Functional Skills English and Maths at Entry Level**

These qualifications can be taken across the academic year on demand where the candidate is assessed to be ready to meet the required standard.

Feedback from internally assessed components can be shared with candidates after the assessor and internal verification process is complete. This allows candidates the opportunity to make an internal appeal or be made aware that a resit is necessary.

Candidates are instructed not to share their feedback widely on the understanding that marks may still go up, down or remain the same as part of the external Standards Verification process. Only when this process has taken place will final marks be awarded. Certificates will be issued from this time up to 31st August.

Results will be received by candidates in either of the following ways:

- By post on a centre headed letter
- In person during term time only
- By email with a centre headed letter attached

## **Functional Skills Maths and English at Level 1 or 2**

These qualifications can be taken across the academic year on demand as onscreen or paper-based tests where the candidate is assessed to be ready to meet the required standard.

Results are uploaded via the portal for external marking apart from the English Speaking and Listening element that is marked internally at the centre and then externally verified.

Final results are issued to centres via the Edexcel portal usually within 28 working days.

Certificates will be issued from this time up to 31st August.

Results will be received by candidates in either of the following ways:

- By post on a centre headed letter
- In person during term time only
- By email with a centre headed letter attached

## **Digital Functional Skills at Entry Level 3 or Level 1**

This examination is an onscreen booked test where candidates submit their work for external marking upon the completion of the test.

Results are issued to centres via the Edexcel portal usually within 28 working days but can be up to 56 days.

Certificates will be issued from this time up to 31st August.

Results will be received by candidates in either of the following ways:

- By post on a centre headed letter
- In person during term time only
- By email with a centre headed letter attached

## **19.1 Enquiries about results (EARs)**

EARs may be requested by centre staff or the candidate following the release of results.

A request for a re-mark or clerical check requires the written consent of the candidate. A request for a re-moderation of internally assessed work may be submitted without the consent of a group of candidates.

The cost of EARs will be paid by the centre, the cost of which is set by the appropriate body.

All decisions about whether to make an application for an EAR will be made by curriculum leads.

If a candidate's request for an EAR is not supported, the candidate may appeal, and we will respond by following the process in our Examination Internal Appeals procedure Policy.

All processing of EARs will be the responsibility of the Exams Officer or head of centre, following the JCQ guidance.

### **19.2 Access to scripts (ATS)**

After the release of results, candidates may ask subject staff to request the return of written exam papers within 10 days of the receipt of results.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

Applications for EARs cannot be submitted once an original script has been returned.

The Exams Officer is responsible for processing requests for ATS.

The cost of ATS will be paid by the centre, as set by the Examination Body.

## **20. Monitoring and review**

This policy will be reviewed annually in accordance with JCQ regulations.

Overall responsibility for the Exam Management Policy in **Clarity Independent School** rests with the Head Teacher, Debbie Hanson
